Ice Skating Lessons

General Information: The Inwood Skate School level system is based on the Ice Skating Institute (ISI) Skills Program. Student-teacher ratio is 6:1 for Tot Intro Classes, 8:1 for Tot Basic to Tot Elite Classes, 10:1 for Pre Alpha and Adult Beginner classes and 12:1 for all others. For more information about class structures, class formats, ISI, etc., call Deanna at ext. 305.

Parents/Guardians: Parents/guardians of Inwood Skate School students 12 years and younger must stay in the Ice Arena building for the duration of the class.

Be Prepared for Class: Skate rental is available through Ken Woody Sports & More for \$1 per use. Ice skates opposed to hockey skates are recommended for beginner but are not required. Double blade skates are not permitted. Learn to Skate class participants should arrive 10-15 minutes before class to get skates on and should wear long sleeves, pants, gloves or mittens. Classes meet in the lobby before going to the ice.

Advancement: For the benefit of all participants, the level system must be followed and skaters must demonstrate to staff mastery of the skills in each level before being advanced. Progress reports will be given to all skaters at the end of each session. Evaluation procedures are implemented as needed. Skaters transferring from other skate schools will need to be evaluated by Skate School staff for proper level placement.

Skate School Registration Policies: Classes with 3 skaters or less may be combined with other levels or cancelled. Pro-rations or refunds can only be given for illness or injury and a doctor's medical note must be presented. Late registrations may be taken with the approval of the Skating Supervisor. Missed classes can be made up at any time before the end of the session. Credits may be requested but are not guaranteed and all are subject to a \$5 administration fee and approval from Management. To request a credit, see the Front Desk for a Credit Request form.

Boys' & Girls' Learn to Skate

The learn to skate program is designed to help skaters feel comfortable on the ice and teach them basic balance, coordination and maneuvering. Instructors make learning fun with songs, games and toys for tots and games and challenges for youth. Skaters must be toilet trained to participate.

Tot Intro 3 years: For 3 year olds who have little or no formal skating instruction or experience. Emphasis on falling down, getting up, standing and marching.

Teen and Adult Classes

It is never too late to learn how to skate. Teen classes are geared toward 13-17 year olds and adult classes are for 18 years and over. Instructors make every effort to structure the class to benefit all of the students with group and individual teaching. Number of instructors and actual class format will depend on how many skaters enroll and the level variation of each class.

ONE GOAL . . . *One Kid At A Time!*

LEARN TO PLAY HOCKEY PROGRAM

The Chicago Blackhawks have partnered with the Jaguar Hockey Club to offer six week introduction to hockey classes at the Inwood Ice Arena throughout the 2011-2012 season. The weekly 45 minute classes are targeted at 4-8 year olds and are held throughout the year on Wednesday or Sunday. To support the program, the Chicago Blackhawks have donated loaner equipment sets which are available to MinorHawks participants at no charge. There has never been an easier way to introduce your child to the sport of Ice Hockey and our USA Hockey certified instructors will teach basic skating and hockey technique while everyone is having fun on the ice.

HAVE FUN!

LEARN TO SKATE!

The Jaguar Hockey Club based at the Provena Saint Joseph Inwood Ice Arena offers youth hockey programs for all ages and skill levels. Introductory class sessions run year round, and late registrations are always welcome.

Experience the power of quality hockey!

* All classes require minimum safety equipment and USA Hockey registration. Limited quantities of loaner/rental equipment are available at no charge, although a deposit is required to take it home.
